

Ken & Olga Gruenbaum

Sunflower Child Care
Claremont, NH

- “ Dedicated, patient, kind, creative, insightful, and caring. Olga and Ken give so much more to the children in their care than just "childcare". They inspire and teach! ”
- “ Their environment and consistent efforts to continually improve their childcare environment for the benefit of the children in their care is admirable.”
- “ Sunflower Childcare offers children opportunities to garden, cook, tend chickens, paint (with Ken, who is an accomplished painter!), learn Russian (from Olga), and a variety of other activities that some of these children may otherwise never have an opportunity to experience. ”
- “ Ken and Olga have gone beyond the call of licensed providers to apply for waivers to provide care for parents who needed some evening care; to provide care for an older special needs child, and work diligently to accommodate single working parents. ”
- “ As parents to four children of their own, Ken and Olga are loving, dedicated individuals who have a genuine and deep respect of children and early childhood development. ”
- “ They are a valuable and treasured resource here in Claremont! ”
